Another sad affair occurred here yesterday, in the narrow escape of death, by not turning off the gas in a closed room. Sheriff Geo. G. Glazebrook of Butler, Bates county, arrived here at 3 a. m. Wednesday with a prisoner for the pen, and after delivering his prisoner he retired at the Madison house. At 11 o'clock his room door was forced open and he found in a dying condition. Drs. Kerr and Thompson were called at once and all possible attention given the unfortunate man. At 5 last evening all hope of his recovery was given up, and his wife was so informed, but at 7 he showed signs of recovery, and to-day he is still improving and it is thought he will recover.

AURORA SPRINGS.
A mass meeting of the republicans of Franklin township last Saturday, the object was to elect two executive men from this township and express the will of the people on a primary executive or delegate convention for the production of candidates for the several offices at the November election. The people of this township are unanimously for primary election.

Last Saturday eve a man by the name of Tilberry, alias Coover, had an appointment to preach on the streets of Aurora. He had held forth the three Saturday evenings previously, his harangues and abuse of citizens had become personal. He dealt upon whisky and tobacco almost entirely, against individuals and denominations, so that Dr. Allen pulled Tilberry, alias Coover, off his box. Some of the boys threw rotten eggs at him. So it looked for a short time as though there would be a row in the street. From every appearance Tilberry imagines that he occupies the position of Paul, John and Jesus Christ, and seems to quote indignation of some persons; so that he may cry persecution. If he be earnest and sincere he would confine himself to his text, but takes no text from the bible, but announces that he will preach, instead of preaching. His discourse is on what a bad man he has been; that he stole a team of horses, ran off, changed his name, at one time contemplated murdering an individual and robbing a safe; that he was one of the most wicked devils in Aurora Springs about eight years ago. Now he says, God has pardoned his sins and he is "sanctified wholly." He proposes preaching in the park on the Fourth of July and defies any one to arrest him. No one has ever dreamed of arresting him unless he does something to produce a breach of the peace. By many he is considered crazy, and others that he is a common crank.

The Tribune says some means must be devised for raising more money by the city council in the matter of street improvement. The streets have received no improvement for many months, and yet the license and taxes have not been reduced. (?)
